

Dance It Up

Words & Music: Inga Rumpf / Niko Mueller

Donna took a trip to London
Johnny found his true love
Ritas broken heart is healing
Martin writes his memoirs
It's Melanies birthday
Frankie's gone to Hollywood – uh uh

Willy's got a brandnew computer
Jimmys hair is red now
Tommy changed his name to Joe
Louise has a motorbike
Robert stopped smoking
Lizzy wears high-heel shoes – oh, shiny shoes

You don't need to worry
Your wishes come true
You don't need to hurry
Let it come to you

Dance it up - dance it up, come on, dance it up
Dance it up, dance it up, come on, come on, come on

Gina had a great performance
Ricky has a third eye
Donna lost a poud today
Henry has a new band
Sheila wants to marry
Niko's searching for the truth – oh, you're young man

You don't need to worry
Your wishes come true
You don't need to hurry
Let it come to you

Dance it up - dance it up, come on, dance it up
Dance it up, dance it up, come on, come on, come on
